Hello Amanda,
Based on Raley's history book, she was the only daughter to her father Tom and Claire Raley. Other than that information, there isn't much information about her. Thank-you for your question.

Frank

Hello there,

I was chekcing out your web site, and was wondering if you had any information about Joyce Raley Teel. Was she adopted? There is no mention of her mother on all the web sites I found about Raley's, and I was just curious. Thanks!

Amanda
